

# Kindle

---

Kindle is a series of e-book readers designed by Amazon to work with the Kindle e-book format. Learn more about Kindle devices [here](#).

This guide covers (E Ink) Kindle devices including:

- Kindle
- Kindle Paperwhite
- Kindle Paperwhite 3
- Kindle DX

For Kindle Fire tablets, including Kindle Fire, Fire HD & Fire HDX, please see the separate [Getting Started with Kindle Fire Guide](#).

## Downloading E-Books

---

Kindles can download e-books in the following compatible format:

- Kindle

This format is available through our e-media provider, Overdrive. To begin downloading e-books to your Kindle use the link below:
