

iOS (Apple) & Android Phones & Tablets

Get LAPL e-Media with these free apps from Apple's App Store or the Google Play Store

BiblioBoard*

Use your library card number and PIN^o to access books, articles, images, photographs, maps, pamphlets, and documents as well as streaming audio and video content on a wide variety of topics. All content is available on an unlimited multi-user basis with no checkouts or returns.

Freegal Music

Use your library card number and PIN^o to listen to unlimited streaming music, and download up to 5 DRM-free mp3 music tracks a week from the Sony Music catalog. Note: Freegal Music downloads are NOT available with the library e-card.

hoopla

Temporarily download up to 15 free full length feature movies, television programs, full musical albums, unabridged audiobooks and graphic novels a month. Register once with your library card and PIN^o to create an account based on your email address and chosen password.

LAPL to Go

Log in with your library card number and PIN^o to search the catalog and photos, hold and renew books, check out ebooks, find a library, manage your account, and more.

OneClickDigital

Check out free e-Audiobooks from Recorded Books. Register with your library card number and PIN^o to create an account based on your email address and chosen password. Note: OneClickDigital accounts are NOT available with the library e-card.

OverDrive

Sign in with your library card number and PIN^o to check out ebooks, e-Audiobooks, streaming video, magazines and newspapers. [Overdrive account](#) required for some files. [Amazon account & Kindle app required for Kindle Books](#). [Barnes & Noble account and Nook App required for magazines and newspapers](#).

Additional Apps for Overdrive Content

Kindle by Amazon.com[†]

Check out Kindle books for free in the Overdrive app, and read them in the Kindle app. Requires a free Kindle account.

Nook by Barnes & Noble[†]

Check out popular magazines and newspapers for free in the Overdrive app, then download and read them in the Nook app. Requires a free Barnes & Noble account.

PressReader by PressDisplay[†]

Download and keep free magazines and newspapers when connected to Los Angeles Public Library WiFi, to read anywhere, at any time. Choose from almost 3000 newspapers, and more than 1900 magazines from all over the world.

Zinio for Libraries[†]

Zinio for Libraries offers full color, interactive digital magazines with no holds, no checkout periods, and no download limit. Register for a Zinio account with your library card and PIN^o on [LAPL's Zinio web page](#). Use the web page to browse and check out magazines, then use the app to download and read your magazines anywhere, any time.

**BiblioBoard is not available on iPhone*

o Your library Personal Identification Number (PIN) is usually the last 4 digits of the phone number on your library card account.

† Caution: The maker of this app also sells e-Media; library patrons should be careful to avoid unintended purchases.
