

Practice Tests

Princeton Review will administer the full-length SAT, ACT, and PSAT tests.

SAT & ACT A full-length practice test will be given.
(Recommended for high school students)

The ACT assesses high school students' general educational development and their ability to complete college-level work. The multiple-choice tests cover four skill areas: English, mathematics, reading, and science. The writing test, which is optional, measures skill in planning and writing a short essay.

The Scholastic Aptitude Test is widely used to help determine eligibility for undergraduate college admission.

PSAT A full-length practice test will be given.
(For 8th to 10th grade students)

The PSAT is also called the NMSQT, or the National Merit Scholarship Qualifying Test. Scoring well on the PSAT can get you a National Merit Scholarship.
