SUMMER WITH THE LIBRARY

How to play:

Collect points for reading and completing fun, learning-based activities. Cross off spaces on the path to keep track of your progress.

> **Read for 20 minutes = 20 points (1 space)**
> **Complete an activity = 100 points (5 spaces)**

When you've earned 1,000 points, you have finished the Summer Reading Challenge! Drop off your completed game board at any open library branch or Library To Go location in order to be entered into branch and grand prize drawings.

An email address or phone number is required to enter the prize drawings so that winners can be contacted.
