A Los Angeles Public Library Training Office Publication

# OneClickdigital

## How to Download Free e-Audiobooks

Download e-audiobooks to your personal computer or mobile device using **OneClickdigital**.

### Compatible Devices

OneClickdigital supports all generations of the Apple iPod family, Digital Rights Management (DRM) compatible mobile devices, and Android smartphones and iPhones. A complete list of compatible devices is available under the Library's OneClickdigital web page under the **Help** tab>**Devices**.

### First-time Users

Download and install OneClickdigital media manager on to your mobile device. OneClickdigital media manager is available from Google Play or Apple App Store or by clicking on the icon that is displayed on the Library's OneClickdigital web page.

From the Los Angeles Public Library's (LAPL) home page ([www.lapl.org](http://www.lapl.org)), select the **E-MEDIA** tab.

1. Select **OneClickdigital** from the list.
2. Create an account by clicking on **Create New Account**.
3. Fill out the form, including LAPL library card number, name, and email address.

### Basic Features

#### How to Find an e-Audiobook:

Search for an e-audiobook by using **Quick Search**, **Advanced Search** or **Browse**. Quick and Advanced Search allow the user to search by keyword, title, author, narrator and target audience. **Advanced Search** offers additional search options. To search by subject, select the topic by using the **Browse** drop down menu.

### To Borrow an e-Audiobook:

1. Click on the title's book jacket.
2. Click on the **Checkout Now** button.

### To Download an e-Audiobook:

1. Select **My Collections** Tab.
2. Click on the **Download Now** button to transfer the e-audiobook to your device.

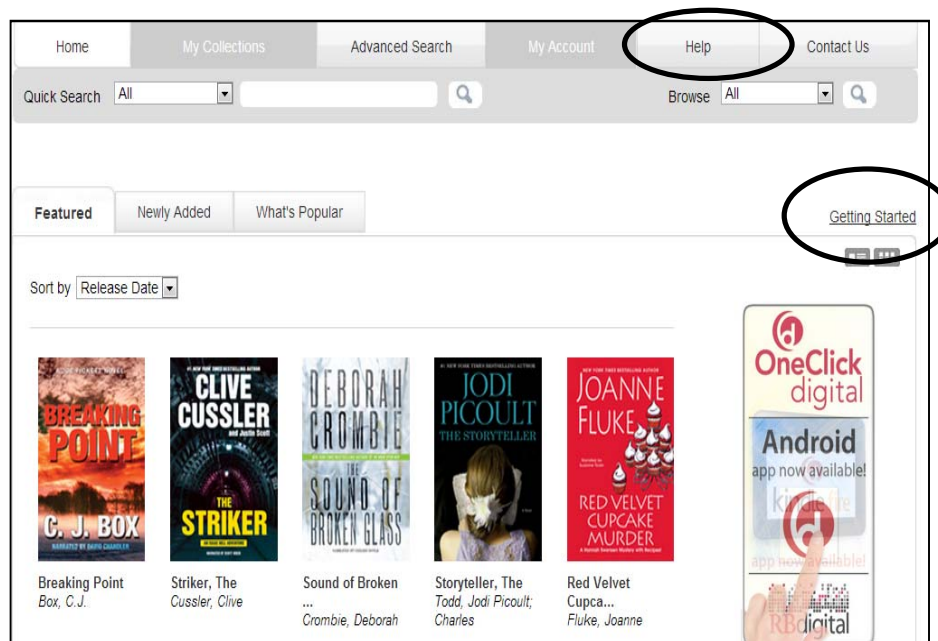

### To Return/Renew and e-Audiobook:

1. Select the **My Collections** Tab.
2. Select Return or Renew button.
