

e-Media Quick Start Guide

A Los Angeles Public Library Training Office Publication

Axis 360

How to Download Free e-Books

Download e-books to your personal computer and/or transfer to an e-reader with Axis360. e-Books may be downloaded to Blio's reading app or to Adobe Digital Edition.

Compatible Devices

Axis 360 e-books are compatible with e-readers and mobile devices that accept EPUB and PDF format. Library patrons may also download to and read e-books directly from the Blio platform.

First-time Users

Download and install Adobe Digital Editions (ADE) (www.adobe.com) or Blio app (www.blio.com) to your personal computer. Both applications are free software programs that allow you to download and read e-books on your computer and/or transfer them to an e-reader. ADE reads EPUB and PDF formatted e-books; Blio formatted e-books are read on the Blio platform. Blio users will need to create a Blio account from Axis 360's page. Click on **My Account>Create a New Blio Account**. **Note:** ADE users will need to register for an ADE account/ID at <https://www.adobe.com/account/sign-in.adobedotcom.html> to authorize ADE to run on a specific computer or device. An email address is required for creating either account.

axisReader App for Mobile Devices

axisReader app is available for free from the Google Play Store or the Apple App Store. The axisReader app reads EPUB and PDF formatted e-books. The first time you use the app you will be prompted to enter your Adobe ID to "Authorize" the account.
